

§ 1330.405

5 CFR Ch. III (1–1–15 Edition)

appraisal system at the conclusion of each appraisal period that ends during a calendar year for which the certification is in effect, in accordance with OPM instructions.

(h) *Suspension of certification.* (1) When OPM determines that an agency's certified appraisal system is no longer in compliance with certification criteria, OPM, with OMB concurrence, may suspend such certification, as provided in paragraph (c)(3) of this section.

(2) An agency's system certification is automatically suspended when OPM withdraws performance appraisal system approval or mandates corrective action because of misapplication of the system as authorized under §§ 430.210(c), 430.312(c), and 1330.403(e).

(3) OPM will notify the head of the agency at least 30 calendar days in advance of the suspension and the reason(s) for the suspension, as well as any expected corrective action. Upon such notice, and until its system certification is reinstated, the agency must set a senior executive's rate of

basic pay under 5 CFR part 534, subpart D, when effective, at a rate that does not exceed the rate for level III of the Executive Schedule. While certification is suspended, an agency must limit aggregate compensation received in a calendar year by a senior employee to the rate for level I of the Executive Schedule. Pay adjustments, cash awards, and levels of pay in effect prior to that notice will remain in effect unless OPM finds that any such decision and subsequent action was in violation of law, rule, or regulation.

(4) OPM, with OMB concurrence, may reinstate an agency's suspended certification only after the agency has taken appropriate corrective action.

(5) OPM may reinstate the certification of an appraisal system that has been automatically suspended under paragraph (h)(2) of this section upon the agency's compliance with the applicable OPM-mandated corrective action(s).
